Financial Report:

All **Accounts \$61,558.03**

Operational: \$60,580.72

Digital: \$647.46

Savings: \$329.85

DEEN's NEEDs:

Awards should cost around \$250. Some students will be going to Leadership camp?

Scholarship applications are due on Friday, April 25th. Concession stand hours are posted so that students know whether or not they are eligible.

Concessions:

Need to consider whether we want to keep being the concessions group for baseball/softball. We made approximately _____ profit for it. Food often spoils due to rainouts and schedule changes.

If this is done, Mrs. Deen will create other opportunities for students to gain eligibility for scholarships in the Spring (especially for JV football players that are unable to work concessions at all in the Fall.)

Sponsorships – Mosquito Hunters has made the April payment so has just one more payment to make.

Mrs. Deen has heard that it might not be possible to hang banners with sponsors at the football field next year. This is not yet confirmed, but we need to be planning to make adjustments to the sponsorship benefits/incentives. 1) push more on Facebook and even use Facebook stories 2) longer advertisements on the board 3) does it count if the banner is placed under our concessions awning??

Open Board positions – we will have Secretary and Treasurer that will be open due to two Senior moms and Cassie would like to move from Concessions to another position.

The floor was opened to voting in the new board members.

Mandy Pickle – President – Cassie Myers made a motion for Mandy Pickle to continue on as Board president. 2nd by Amy Beesley

Mandy will get the scholarship awards printed once the committee has completed their selection.

Meal – Bay at the Lake – Italian! Need to triple the amount of ranch dressing and increase amount of bread. quoted \$13 / person

Mrs. Deen will check w/ Haley Shope re: hiring some culinary kids to serve.

Day of the banquet kids (and adults that can help) will blow up the balloons and start decorating during the school day.

Have we figured out about tea for the night?

End of year meeting: According to the By-Laws, tonight serves as the end of the school year meeting.

Next meeting will act as a transition meeting and must include check signers in the minutes removing former member(s) and adding incoming member(s). Kim will need to make sure the incoming treasurer, Jennifer, has what she needs including an explanation about tax ID as well as the amount of revenue that is allowed. Becky will provide Cassie with this year's meeting minutes and sign in pages in the Secretary binder.
