Attendees:

Jackie Dean, Derek McClaren, Victoria Woodard, Amy Beasley, Linda Mitchell, Erika St. John, Jamie Stringfield, Heather Sanders, Drew Almy, Samantha Hedrick, Christina, Jennifer Petroff, Danny Petroff, Mandy Pickle

Called to Order

Attendees were given shoulder packs, pom poms and DTF decals for attending.

Approved Previous Minutes

Passed around and reviewed previous meeting minutes. All action items on the July Meeting Minutes were complete. Made a motion to approve: Derek 1st, Danny 2nd

Band Director Needs

The Booster Club will purchase black cowboy hats if they are not purchased off Mrs. Deen's Amazon Wish List. We might need a larger black hat option for a few students with larger heads.

Derek McClaren made a PVC prototype fence for the marching show. The Booster Club will need to buy supplies to create 10 total including a faux lightweight wood panel. Erika may be able to help with this project. She, Mrs. Deen and Mr. McLaren discussed this project in more detail.

Jamie Dyer will take the senior photos this year. Students will need to pay \$5 for the photo. We need to find a place to print the photos as 2x3 senior posters to hang in the band hall. Mandy messaged PABC to see who they will use.

The Spring trip to Branson will cost \$500 per student. It includes travel, meals, shows, Lamberts Cafe, Dolly Pardon Stampede, Silver Dollar City, Wax Museum. Date for the band trip is April 16-19th.

Financials

Reviewed our accounts. All accounts \$41,771.17, Operational \$36,080.29, Digital \$2,664.88, Savings \$330.01, PayPal \$241.11, Venmo \$379.88, Pending Deposits \$2,075.

Jennifer Petroff will get our Venmo account moved over as well as any other account still in a past booster name.

Concessions

We reviewed the concessions menu. We voted on upping the price on the newly added Angus 1/3lb burger by \$1. Danny 1st, Drew 2nd.

We are making 11 x 17 signs. One for setting up and one for closing down. Hopefully these will help aid our volunteers.

We are going to make a few videos to post on YouTube. How to load the cheese machine, how to make a boba drink, how to use the popcorn machine, how to run cash sales through the square. We will post QR codes on the machines so people can scan them and quickly watch a video.

We also need a sign just for the cook. These will include instructions for the blackstone and using the deep fryer. Drew is going to train under Danny to be the cook on Friday nights.

We reviewed our top sellers and bottom sellers from last year.

We discussed not cooking too much on certain game nights:

Dallas Life Oak

Dallas A+

Mt Vernon

Dallas Madison

We discussed the new method of getting credit for working concessions. Scan the laminated QR code created by Tiffany Francis.

New Business

Mrs. Deen will sell the traditional "I'm with the Band" shirt for band supporters.

Sponsorships

Reviewed sponsorships received. We expect more to trickle in over the next month.
