- Not all money from this fundraiser was used for the Spring Band Trip. 12% of all donations went into the CPB Operations Account.
- Students received 88% of their donations into their student account. This fundraiser was encouraged because it could pay for their school trip.
- All funds in the CPB Operations Account are used for band needs. Examples include but are not limited to: Meals for Competitions, Scholarships, Waters, Marching Gear, Photography, Concessions, etc.

EXAMPLES

- 12% of ALL donations went into the CPB Operations Account.
- A senior band student received \$622 (88%) in their student account from the FP Fundraiser. Their trip cost was \$550 so they received enough donations to cover it. They have \$72 left in their student account. If the \$72 doesn't get used by the student, it will be put into the CPB Operations Account.
- A band student received \$250 (88%) in their student account from the FP Fundraiser. Their trip cost was \$550 so they would still owe \$300.
