director – Mrs. Deen

Call to Order – 5:35

Minutes from Nov. 6th – approved

Financial Report – Andrea Fulenchek

\$6724.38 savings

\$16,640 digital

\$2209 operations

Fundraisers – seems like chicken does better – Bwok Bwok (McAlister's time window narrows it down too much and people just aren't as receptive to going over there.)

Mandy said that Raising Cane's might want to do one?

Board decided that we will try to focus on the chicken places.

From Mrs. Deen:

½ payment is due in January

Everything is due in February

Big event coming up – Fundraising dinner – Friday, February 23rd – maybe a baked potato dinner?? (Could get Shope to make them). We pay for the kids that are performing (ensembles).

Seniors Band gift – the blankets did not go on sale on Black Friday this year. So they will cost us more this year. Usually was able to get them for \$8 on sale – so we need to see if we can get them somewhere?? They are a throw size.

Concert – Monday, 12/18 with party after – Spaghetti – made by Lisenby. Sign up Genius for other items.

Deen will talk at the concert about trying to get more people involved in Boosters on Monday night.

(We need to have another time where we meet at the Rig to try to get parents)

Jan. 29th – Side-by-Side concert – We need to have a flyer made to give out that night and the board needs to be present outside while people are waiting. This is a great opportunity to meet other parents and try to get them involved in Boosters! Need to have some sort of presentation or visuals or something. Need a couple of people prepared to talk.

Deen's needs:

Wants covers for the doors, (like the ones recently added to the gym doors) but not sure yet money wise.

Trip – Boosters need to provide breakfast on the bus on the morning of the trip. We will need to come up with Tip Money for the bus drivers. (generally a dollar per person on the bus.)

Itinerary is that we will go to the grocery store as soon as we get there. BUT drivers will not be able to come back to get us. Worry is that we won't have access to the rooms yet so what do we do with the groceries?? And what if the bus driver's run out of time on their clock...

If they over collect or overpay – will that go back to them as spending money? (Deen could write a reverse receipt)

Deen does not think that many if any will overpay.

Baseball/Softball concessions starts in February.

Concessions – need list of kids from Kim on who gets a band banquet ticket.

Sell leftover shirts and bags to Sue.

Sell spaceman shirts on website.

The next meeting is January 8th at 5:30pm

Expense for Mrs. Deen. Need 3 rooms for the All Region kids. Need by the week of January 8th. Will cost around \$300.

March/April everyone will need to come to one of two meetings regarding the Colorado trip.

April Meeting will be on Thursday April 4th at Tanglewood. 5:30-???

New officers take over in May.

Meeting adjourned at approx. 6:30
